

# Southern Idaho Climbing Coalition

Spring 2023

*Our Mission is "To promote climbing, provide a resource for responsible development and conservation of climbing areas, and to encourage the etiquette, education and safety of the Southern Idaho climbing community."*

## A Message from the Board

It's a new year! The weather is finally warming up and it's time for some spring climbing. We would like to remind all climbers to use safe practices out there and always wear a helmet while climbing and at the crag. Freeze thaw weathering can result in loose rocks, so stay sharp! We are also excited to announce the first ever SICC hosted climbing competition on April 29<sup>th</sup>. Continue reading for more details.

Do you love climbing but are just learning the ropes? Are you a seasoned climbing vet looking for a challenge? Do you enjoy watching folks climb and have a great time? Then the Over the Falls Climbing Competition is perfect for you! Hosted by the Southern Idaho Climbing Coalition (SICC), Over the Falls is the first competition event of its kind in the Twin Falls area. Headquartered atop the majestic Shoshone Falls, this all-day event celebrates our local climbing community and fantastic outdoor climbing venues. The competition includes a solo top rope division and a team lead division. In both divisions, participants climb up to ten routes from a variety of outdoor climbing venues over the course of the day. In the solo division, climbers pit their skills against a variety of pre-rigged top rope climbs at The Midway climbing area near Shoshone Falls. In the team division, one climbing partner leads a route while the other partner top ropes and cleans the route. Several climbing clinics will be offered throughout the day by AMGA-certified climbing instructors. These clinics are FREE to current SICC members and \$25 for non-SICC members. In addition to all the awesome climbing activities, the event also features a taco truck, prizes, a showing of Reel Rock 1, and an after party at Koto Brewing in downtown Twin Falls. Sign up now because you don't want to miss it!

## Committee Reports

### Maintenance Chair Report

With Spring finally arriving, we are excited to get back down to the Lava Tubes and complete the re-bolting of both the Big and Little Caves. We have set a date of June 10th for this year's Adopt-a-Crag event. The exact location of this event has not been determined yet, stay tuned. We are always looking for local support for all of these and other events we will be hosting this year. If you would like to volunteer please reach out to us via [Info@climbsicc.com](mailto:Info@climbsicc.com)

Cheers,  
Ian
